Datalab brand book

Datalab powered by CleantechHUB is the master brand name (write **Datalab** as one word). Option B (layers) is the primary mark. Draft · Awaiting Gideon's approval · HITL before use.

Nov 2026 · brand/datalab-brandbook-2026-11/

01 · Intro

Datalab powered by CleantechHUB covers **Data Lab sandboxes + Data Governance**, as **part of the Earth Observatory launch**. Public soft launch: **24 Nov** (year PENDIENTE if not stated elsewhere in approved copy).

PENDIENTE: event time, venue, partner names, metrics, and any copy beyond the three approved intro lines above.

02 · Naming and logo system

Naming and endorsement

Master brand string (exact): **Datalab powered by CleantechHUB**. Always spell **Datalab** as one word in lockups, headers, and endorsement lines. CleantechHUB stays one word with capital H-U-B. Do not write "Data Lab" for the brand name.

Lockup type	Wordmark	Endorsement line
Master · without endorsement	Datalab	(none)
Master · with endorsement	Datalab	powered by CleantechHUB
Sub-product · without endorsement	Data Flow / Data Set / Data Dashboard	(none)
Sub-product · with endorsement	Data Flow / Data Set / Data Dashboard	Datalab powered by CleantechHUB

Endorsement clear space: gap between wordmark baseline and endorsement cap height = at least **0.5×** endorsement cap height; clear space below endorsement = at least **1×** endorsement cap height. Do not place other type or logos inside that zone.

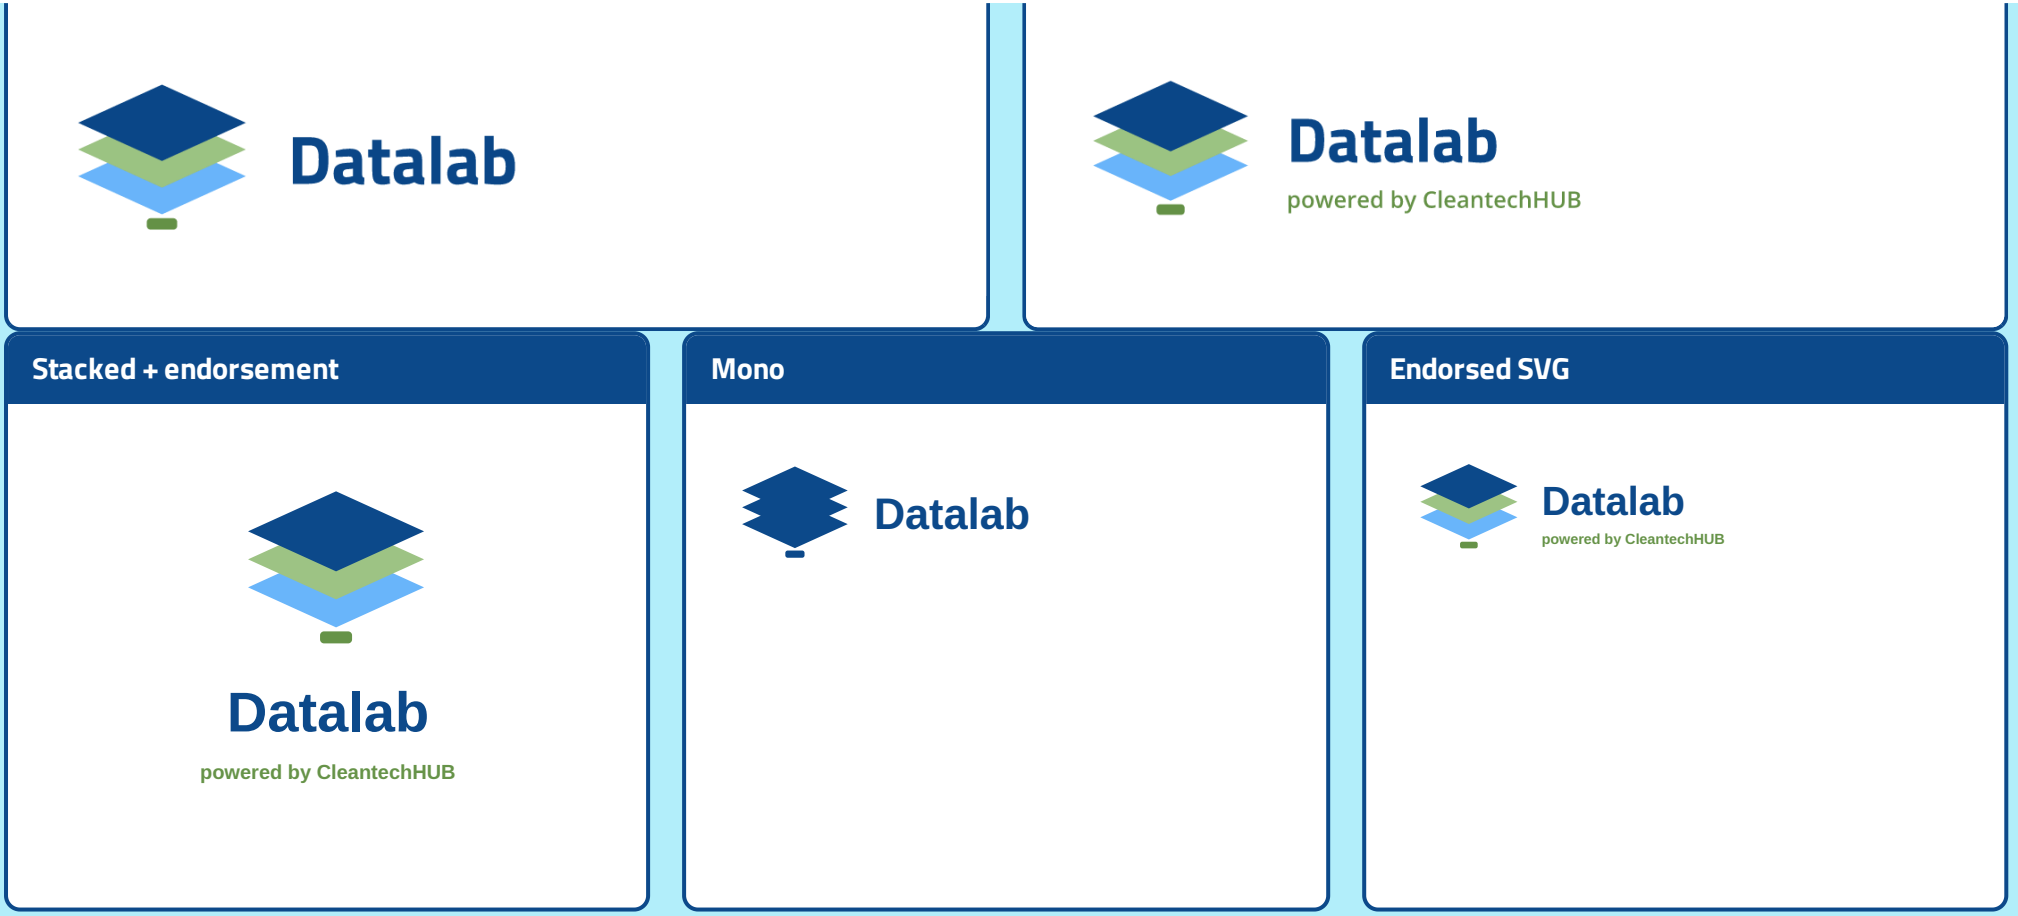

Endorsement minimum size: 11 px / 8 pt cap height for the endorsement line (Open Sans Semibold). If the line would fall below that, switch to the without-endorsement lockup or scale the full lockup up.

Mark clear space: 1× mark height on all sides. **Minimum lockup width:** 120 px (digital), 32 mm (print) for master without endorsement; add 24 px height when endorsement is present.

Primary mark · Option B (layers)

Without endorsement · light

With endorsement · light

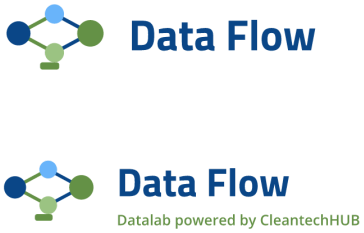

Sub-product logo system · Option B family

Each sub-product ships **with** and **without** the endorsement line *Datalab powered by CleantechHUB*. Shared grid: distinct mark (left), Titillium Web product name, optional Open Sans endorsement, Forest Green accent bar. Option B layers remain the umbrella **Datalab** primary mark only.

Product	Mark	Usage
Data Flow	Option C flow network	Pipelines, integrations, streaming governance
Data Set	Option A data grid	Catalogues, sandboxes, curated tables

Product	Mark	Usage
Data Dashboard	Option B layers + bar tiles	Analytics surfaces, observatory views

Data Flow

Data Set

Data Dashboard

- Do not swap marks between products or use a sub-product mark as the umbrella Datalab logo.
- External-facing materials: use the **with endorsement** lockup unless space is below minimum endorsement size.
- SVG: `*-endorsed.svg` and matching `.svg` without endorsement for each product.
- Official CleantechHUB logo file remains PENDIENTE; endorsement is always type, never redrawn.
- Max two brand colours per layout block; flat fills only.

Misuse (do not)

- Stretch or rotate
- Off-palette fills
- Drop shadow / glow
- Redraw CTH logo
- Swap sub-product marks
- Gradients on marks
- Separate mark from wordmark
- Outline-only marks

03 · Colour

Five CTH colours only (Manual de Marca Jan 2024). CMYK: PENDIENTE unless added to brand skill.

Deep Blue
#0C498A · RGB 12, 73, 138

Light Cyan
#B2EEFA · RGB 178, 238, 250

Light Green
#9DC384 · RGB 157, 195, 132

Forest Green
#669348 · RGB 102, 147, 72

Sky Blue
#69B5FA · RGB 105, 181, 250

Usage ratio (guidance): ~60% Deep Blue or White fields, ~25% accents (Cyan / Sky / Light Green), ~15% Forest bars and tags.

Text	Background	Contrast	WCAG
White	Deep Blue	8.99:1	AA body
Deep Blue	White	8.99:1	AA body
Deep Blue	Light Cyan	7.07:1	AA body
Deep Blue	Light Green	4.53:1	AA body
Deep Blue	Sky Blue	4.11:1	AA large
Forest Green	White	3.60:1	AA large
White	Sky Blue	2.19:1	Fail · do not use for body

04 · Typography

Titillium Web Bold titles and wordmarks. **Open Sans** body (400/600). Self-hosted OFL fonts in `assets/fonts/`.

Scale	Web	Print
H1	2.5rem / 40px	28 pt
H2	1.75rem / 28px	20 pt
Body	1rem / 16px	11 pt
Caption	0.875rem / 14px	9 pt

Datalab powered by CleantechHUB · Inspire. Act. Transform.

05 · Iconography

12 line icons, 2px stroke, #0C498A, round caps. No fills except optional 12×12 dot. Do not mix stroke weights.

06 · Data-viz palette

Categorical order: Deep Blue, Forest, Sky, Light Green, Light Cyan. Sequential tints derived in `assets/palettes/cth-datalab-colors.json`. ASE: PENDIENTE.

07 · Grid and layout

- Web: 12-column, 80px max content width 1100px, 24px gutters.
- Social square: 1080×1080, 64px safe margin.
- Social link: 1200×627, logo zone left 420px.
- Print A4: 12-column, 15mm margins.

08 · Imagery

Realistic climate and Earth observation tone. Placeholders only in this draft. Dark overlay + glass panel for text on photos.
