

University hosts

Why and how to host a REIN Hub

Anchored in national development strategies and hosted by academic institutions, REIN Hubs serve as localized engines for sustainable growth, resilience, and prosperity.

Model: public–private partnership with local university / corporate hosts.

Launch post, 23 May 2025: https://www.pvblic.org/rein-hubs-officially-launch-at-nature-summit-2025-a-new-era-of-environmental-innovation.
Partnership line: decks/rein-academic-city-ghana/sources/academic-city-ghana-2026-04-23.html#overview

What each hub receives

A — Program Design & Delivery
Complete curriculum across the 4-stage pipeline. Bootcamps, mentorship frameworks, pitch coaching, workbooks, and evaluation rubrics — all provided.

B — Brand & Communications
Full REIN brand kit — logos, templates, social-media assets, presentation decks. Professional visual identity including a dedicated country logo option.

C — Technology Infrastructure
Kintec Academy platform for online learning, evidence tracking and certification. BookStack wiki for knowledge management.

D — Mentor Network
Curated mentor pool with mentor–mentee matching. Weekly mentorship cadence. International and local mentor access through the REIN network.

E — Global Competition Pathway
Direct entry to ClimateLaunchpad — Nationals → Regional → Global Final in Singapore, October 2026.

F — Visibility & Events
REIN Live webinar series. Presence at COP, Climate Week NYC, UNGA, CEEA Accra. Annual impact reporting and communications support.

Pillars: academic-city-ghana-2026-04-23.html#support. “REIN Ghana” generalised to “country logo option.”

Five named university partners

Colombia · Universidad Externado

Perú · Universidad del Pacífico

Guatemala · Universidad Rafael Landívar

Costa Rica · Universidad LCI Veritas

El Salvador · UTEC

Costa Rica representatives on the site: To confirm.

ORGANISATIONS BEHIND REIN

Four program stages on the live program page

Pathway sentences: https://www.pvblic.org/rein-hubs. Ghana closed label, 20 Oct 2026: Ideation (Activation), Incubation, Acceleration, Growth.

Ideation

Early-stage idea development for innovators and students exploring environmental solutions.

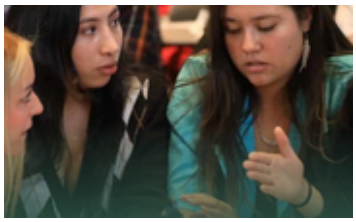

Incubation

National incubation programs within each university hub, building viable ventures.

Acceleration

Regional acceleration for high-potential ventures ready to scale across markets.

Investment Readiness

Mentorship, ESG/MRV support, and investor engagement to secure growth capital.

[DECISION: fourth stage name — Investment Readiness on the program page, or Growth in the Ghana label. Order of the four names is not locked.]

[DECISION: HTML durations or PDF page 8 durations]

> **Each hub equips founders with curriculum, workspace, technical support, and sovereign-aligned templates, so ventures can become deployment-ready within national development strategies.**
